**PROXY STATEMENT**

May 15, 2017

**INTRODUCTION**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Trustees (the “Board” or the “Trustees”) of Dividend and Income Fund, a Delaware statutory trust (the “Fund”), to be voted at the Annual Meeting of Shareholders of the Fund to be held at the Fund’s principal executive offices at 11 Hanover Square, 12<sup>th</sup> Floor, New York, New York 10005, on June 15, 2017, at 10:30 a.m. ET (such meeting and any adjournment(s) or postponement(s) thereof are referred to collectively as the “Meeting”).

The Board has fixed the close of business on March 6, 2017 as the record date for the determination of shareholders entitled to notice of, and to vote at, the Meeting and at any postponements or adjournments thereof (the “Record Date”). It is estimated that proxy materials will be mailed to shareholders as of the Record Date on or about May 17, 2017.

On the Record Date, 10,649,171 shares of the Fund were outstanding. Each outstanding share is entitled to one vote on each of the matters to be voted on at the Meeting. All properly executed and timely received proxies will be voted at the Meeting in accordance with the directions marked thereon or otherwise provided therein. If you properly execute and return your proxies but do not indicate any voting instructions, your shares will be voted “FOR” each proposal. Any shareholder may revoke a proxy at any time prior to the exercise thereof by giving written notice to the Secretary of the Fund at 11 Hanover Square, New York, New York 10005, by signing another proxy of a later date, or by personally voting at the Meeting.

As of the Record Date, the Fund is not aware of any person or “group” (as that term is used in Section 13(d)(3) of the Securities Exchange Act of 1934, and the rules and regulations promulgated thereunder and exemptions granted therefrom, both as amended from time to time (the “Exchange Act”)), owning beneficially more than 5% of the Fund’s outstanding shares, except as follows:

<b><u>Name and Address of Owner</u></b> <sup>(1)</sup>	<b><u>Amount and Nature of Ownership</u></b>	<b><u>Percentage of Outstanding Shares</u></b>
Thomas B. Winmill P.O. Box 4 Walpole, NH 03608	872,018 <sup>(2)</sup>	8.19%
Bexil Corporation	860,109 <sup>(3)</sup>	8.08%
Midas Securities Group, Inc.	860,109 <sup>(4)</sup>	8.08%

Winmill Family Trust	860,109 <sup>(6)</sup>	8.08%

<u>Name and Address of Owner</u> <sup>(1)</sup>	<u>Amount and Nature of Ownership</u>	<u>Percentage of Outstanding Shares</u>
Mark C. Winmill	860,109 <sup>(7)</sup>	8.08%
Bexil Securities LLC	860,109 <sup>(8)</sup>	8.08%

- (1) Unless otherwise noted, the address of each person is 11 Hanover Square, New York, NY 10005.
- (2) Thomas B. Winmill is a trustee of the Winmill Family Trust and may be deemed to have indirect beneficial ownership of the 860,109 shares indirectly owned by Bexil Corporation (“Bexil”) as a result of his status as a controlling person of the Winmill Family Trust, Winmill & Co. Incorporated (“Winco”), and Midas Securities Group, Inc. (“Midas Securities”). Mr. Thomas Winmill disclaims beneficial ownership of these shares. Mr. Thomas Winmill directly beneficially owns less than 1% of the outstanding shares of the Fund. He does not disclaim beneficial ownership of these 11,909 shares.
- (3) Bexil has indirect beneficial ownership of these shares, as a result of its status as the sole member of Bexil Securities LLC (“Bexil Securities”).
- (4) Midas Securities owns approximately 23% of the outstanding shares of Bexil.
- (5) Winco owns all of the outstanding shares of Midas Securities.
- (6) The Winmill Family Trust owns all of the voting stock of Winco.
- (7) Mark C. Winmill is a trustee of the Winmill Family Trust and may be deemed to have indirect beneficial ownership of the 860,109 shares directly owned by Bexil Securities and indirectly owned by Bexil, respectively, as a result of his status as a controlling person of the Winmill Family Trust, Winco, and Midas Securities. Mr. Mark Winmill disclaims beneficial ownership of these shares.
- (8) Bexil Securities has beneficial ownership of these shares and may be deemed to share voting and investment power over these shares with its affiliates listed in the table above.

The 8.08% beneficial ownership reported by Bexil, Midas Securities, Winco, Winmill Family Trust, and Mark C. Winmill, and included in the beneficial ownership reported by Mr. Thomas Winmill, represents indirect record or beneficial ownership of the same Fund shares. Mr. Thomas Winmill and Mr. Mark Winmill may be deemed to beneficially own the shares of the Fund owned by Bexil Securities by virtue of their role as trustees of the Winmill Family Trust. Bexil Securities intends to vote its shares of the Fund in favor of all of the proposals. As of the Record Date, the nominees and the Fund’s officers and Trustees directly own in the aggregate less than 1% of the outstanding shares of the Fund.

A quorum for the Meeting will consist of the presence in person or by proxy of the holders of not less than one-third of the votes entitled to be cast at the Meeting. Whether or not a quorum is present at the Meeting, the chairman of the Meeting shall have the power to adjourn the Meeting from time to time to a date not more than 120 days after the Record Date without further notice other than announcement at the Meeting. Abstentions and broker non-votes will not have an impact on the chairman’s determination to adjourn the Meeting. At such adjourned Meeting at which a quorum is present, any business may be transacted which might have been transacted at the Meeting as originally notified.

With respect to Proposals 2 and 3, each proposal requires approval of the holders of a majority of the Fund’s outstanding voting securities, voting as a single class. A “majority of the Fund’s outstanding voting securities” for this purpose and under the Investment Company Act of 1940, as amended (the “1940 Act”) means the lesser of (1) 67% or more of the Fund’s shares present at a meeting if more than 50% of the outstanding shares of the Fund are present and represented by proxy, or (2) more than 50% of the outstanding shares of the Fund.

Properly executed proxies may contain instructions to abstain from voting or to withhold authority to vote (an “abstention”) or may represent a broker “non-vote” (which is a proxy from a broker or nominee indicating that the broker or nominee has not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary power to

vote). The shares represented by abstentions or broker non-votes will be considered present at the Meeting for purposes of determining the existence of a quorum for the transaction of business. Neither abstentions nor broker non-votes, not being votes cast, will have any effect on the outcome of the shareholder vote, except with respect to Proposals 2 and 3 it will make it more difficult to obtain the vote of 67% or more of the Fund's shares present at a meeting.

No other business may be acted upon at the Meeting other than as described in this Proxy Statement. If any procedural matters related to the proposals described herein properly come before the Meeting, shares represented by proxies will be voted in the discretion of the person or persons holding the proxies.

All costs of soliciting proxies for the Meeting will be borne by the Fund. Banks, brokerage houses, and other custodians will be requested on behalf of the Fund to forward solicitation material to the beneficial owners of Fund shares to obtain authorizations for the execution of proxies, and the Fund will reimburse them for any reasonable expenses they incur. In addition, some of the officers of the Fund and persons affiliated with Bexil Advisers LLC, the Fund's investment manager ("Bexil Advisers" or the "Investment Manager") may, without remuneration, solicit proxies personally or by telephone or electronic communications. Photographic identification will be required for admission to the Meeting.

**The Fund prepares and mails to its shareholders financial reports, normally on a semi-annual basis. The Fund will furnish to shareholders upon request, without charge, copies of its Annual Report to Shareholders, containing audited financial statements for the fiscal year ended December 31, 2016. Requests for such Annual Report should be directed to the Fund at 11 Hanover Square, New York, New York 10005 or by telephone toll-free at 1-800-937-5449. Such Annual Report is not to be regarded as proxy soliciting material.**

## QUESTIONS AND ANSWERS REGARDING THE PROPOSALS

While we strongly encourage you to read the full text of this Proxy Statement, we also are providing the following brief overview of the proposals in “Questions and Answers” format. If you have any questions about the proposals or how to vote your shares, please call the Fund toll free at 1-800-937-5449.

**Question: What proposals will be acted upon at the Meeting?**

- A. At the Meeting, you will be asked to elect Jon Tomasson and James E. Hunt to the Board of Trustees of the Fund, each as a Class III Trustee to serve until 2020 or until his successor is elected and qualifies (“Proposal 1”), to change the Fund’s investment objectives from fundamental to non-fundamental (“Proposal 2”), and to re-approve the subclassification of the Fund as a “non-diversified” fund (“Proposal 3”).

**Question: How does the Board recommend that I vote?**

- A. After careful consideration of the proposals, the Board, including all those members who are not “interested persons” (as defined in the 1940 Act) of the Fund (the “Independent Trustees”), unanimously approved each proposal and recommends that you vote in favor of all of the proposals. The reasons for the Board’s recommendations are discussed in more detail in the Proxy Statement.

**Question: What are shareholders being asked to approve in Proposal 1?**

- A. Shareholders are being asked to elect Jon Tomasson and James E. Hunt to the Board of Trustees of the Fund, each as a Class III Trustee to serve until 2020 or until his successor is elected and qualifies. Mr. Hunt has served on the Board of Trustees since 2011 and have experience with financial, accounting, regulatory, investment, and board operational matters as well as monitoring investment advisers and other fund service providers as a result of his service as an independent director or trustee for more than 25 years on the boards of directors and trustees of other investment companies. Mr. Tomasson has served on the Board since March 2017 and has experience with financial, accounting, regulatory, investment, and board operational matters through his current position as Chief Executive Officer of Vinland Capital Investments, LLC, and his former positions as a principal with Cardinal Capital Partners, a Vice President at Citigroup in the Global Real Estate Equity and Structured Finance group, part of the Real Estate Investment Bank, and a director of a public company.

**Question: What are shareholders being asked to approve in Proposal 2?**

- A. The Fund’s primary investment objective is to seek high current income. Capital appreciation is a secondary objective. These investment objectives of the Fund are currently fundamental policies. The Board recommends that shareholders of the Fund approve changing the Fund’s investment objectives from fundamental to non-fundamental to enhance the Fund’s flexibility to more easily alter its investment objectives when the Board believes it is in the best interests of the Fund or when necessary to comply with possible future regulatory developments. “Fundamental” means that the Fund’s investment objective can only be changed with shareholder approval and “non-fundamental” means that the Board would be able to change the Fund’s investment objective in the future without shareholder approval.

Although the Board has no current plans to change the Fund’s investment objectives, the Board is seeking the flexibility to change the investment objectives without a further shareholder vote in order to also avoid the potential future cost of solicitation. The Investment Manager has advised the Board that if Proposal 2 is approved, it does not currently intend to materially change the manner in which it manages the Fund with respect to its investment objectives, or to materially increase the Fund’s risk profile. Changes made to the Fund’s investment objectives by the Board

will be communicated to shareholders within 60 days following any such change going into effect. Approval of Proposal 2 may result in diminution of shareholder control of the Fund.

**Question: What are shareholders being asked to approve in Proposal 3?**

- A. In 2014, shareholders approved changing the subclassification of the Fund from a “diversified” to “non-diversified” fund, as such term is defined in the 1940 Act. Under the 1940 Act, if the Investment Manager does not operate the Fund as non-diversified within three years of shareholder approval, the Fund is required to again seek shareholder approval to reserve freedom of action to operate as non-diversified.

As a 1940 Act diversified fund, the Fund would be required to invest at least 75% of its total assets so that no more than 5% of its total assets is invested in the securities of any issuer, and so that it holds no more than 10% of the outstanding voting securities of any issuer. With respect to the remaining 25% of its total assets, there is no limit on the amount of assets the Fund would be able to invest in the securities of a single issuer. As a 1940 Act non-diversified fund, the Fund is not subject to these requirements.

Although the Investment Manager currently operates the Fund as diversified and has no current plans to change how it operates the Fund with respect to diversification, the Fund is seeking shareholder re-approval of its subclassification as a non-diversified fund in seeking to ensure compliance with 1940 Act rules and to maintain the Fund’s flexibility to pursue its investment strategies.

If shareholders re-approve the subclassification of the Fund as a non-diversified fund, the Fund will continue to be permitted to invest a higher percentage of its assets in a smaller number of companies or in any one issuer, and may have more risks than a diversified fund. For example, investing a larger percentage of the Fund’s assets in any one issuer could increase the Fund’s risk of loss and its share price volatility because the value of its shares would be more susceptible to adverse events affecting that issuer. However, the Board believes that continuing to retain the flexibility to operate as a non-diversified fund would help the Fund maintain its ability to respond to future investment opportunities.

**Question: What number should I call if I have questions?**

- A. We will be pleased to answer your questions about this proxy solicitation. Please call the Fund toll free at 1-800-937-5449 with any questions.

**Question: How do I vote?**

- A. You may use the enclosed postage-paid envelope to mail your proxy card or you may attend the Meeting in person.

***THE BOARD OF TRUSTEES, INCLUDING ALL OF THE INDEPENDENT TRUSTEES,  
UNANIMOUSLY RECOMMENDS THAT YOU  
VOTE “FOR” ALL OF THE PROPOSALS.***

## PROPOSAL 1

### ELECTION OF CLASS III TRUSTEES

Pursuant to the governing documents of the Fund, the Board is divided into three classes: Class I, Class II, and Class III. One class of Trustees is to be elected at each annual meeting of shareholders to serve for a term expiring at the time of the third succeeding annual meeting of shareholders, or thereafter in each case when their respective successors are elected and qualified. At the Meeting, shareholders will be asked to elect Jon Tomasson and James E. Hunt as Class III Trustees. Messrs. Hunt and Tomasson's terms as Class III Trustees will expire at the Meeting, or thereafter in each case when their successors are elected and qualified. No other class of Trustees has a term that so expires this year.

Upon the recommendation of the Board's Nominating Committee for nomination by the Board as a candidate for election as a Trustee, with the unanimous approval of the Independent Trustees and the Continuing Trustees (as defined in the Fund's governing documents), the Board has nominated Jon Tomasson and James E. Hunt for election as Class III Trustees. The nominees have consented to being named in this Proxy Statement and each has agreed to serve if elected. If you properly execute and return your proxy but do not indicate any voting instructions, your shares will be voted for the election of the nominees. Should a nominee withdraw or otherwise become unavailable for election due to events not now known or anticipated, it is intended that the proxy holders will vote for the election of such other person or persons as the Board may recommend.

### *Trustee and Executive Officer Compensation*

Currently, the basis of compensation for the Independent Trustees is an annual retainer of \$4,800, payable quarterly, a fee of \$3,550 for each quarterly Board meeting attended, \$250 for each special meeting attended, \$250 for each committee meeting attended, and \$500 per annum per committee chaired. Each Independent Trustee is reimbursed for reasonable travel and out-of-pocket expenses associated with attending Board and committee meetings. The Fund currently has no bonus, profit sharing, pension, or retirement plan. The Fund’s Interested

Trustee and executive officers are eligible for bonuses from the Investment Manager and may participate in a qualified retirement plan offered by the Investment Manager. No current officer or Trustee of the Fund who is also a manager, officer, or employee of the Investment Manager or its affiliates receives any remuneration from the Fund, except the Chief Compliance Officer.

*Current Board Leadership Structure and Oversight Responsibilities*

The Board of Trustees is responsible for the oversight of the Fund's operations. The Board is currently composed of five members, four of whom are Independent Trustees. As described below, the Board has established four standing committees, Audit, Nominating, Executive, and Continuing Trustees, and may establish *ad hoc* committees or working groups from time to time, to assist the Board in fulfilling its oversight responsibilities. The inclusion of all Independent Trustees as members of the Audit Committee and the Nominating Committee allows all

such Trustees to participate in the full range of the Board's oversight duties, including oversight of risk management processes discussed below.

The Trustees have designated Mr. Thomas B. Winmill to serve as the Chairman of the Board (the "Chairman"). Mr. Winmill has been active in investment management for over 20 years as a portfolio manager, chief executive officer, general counsel, compliance officer, and in other capacities. The Chairman presides at each Board meeting, establishes the agenda for Board meetings, and acts as the primary liaison between the Independent Trustees and Fund management. The Chairman of the Board is an "interested person" of the Fund (as such term is defined in the 1940 Act). The Independent Trustees have not appointed a lead independent Trustee. The Independent Trustees believe that the utilization of an interested person as Chairman provides an efficient structure for them to coordinate with Fund management in carrying out their responsibilities. The Independent Trustees also regularly meet among themselves and the Chairman plays an important role in communicating with them in identifying matters of special interest to be addressed by Fund management and the Board. The Chairman may also perform such other functions as may be requested by the Trustees from time to time. Designation as Chairman does not impose on such Trustee any duties or standards greater than or different from other Trustees. The Trustees believe that the Board's leadership structure, taking into account, among other things, its committee structure, which permits certain areas of responsibility to be allocated to the Independent Trustees, is appropriate given the characteristics and circumstances of the Fund.

#### *Risk Oversight*

The operation of an investment company, including its investment activities, generally involves a variety of risks. As part of its oversight of the Fund, the Board oversees risk management through various regular Board and committee activities. The Board, directly or through its committees, reviews reports from, among others, the Fund's management, including the Fund's Chief Compliance Officer, the Investment Manager, the Fund's independent registered public accounting firm, outside legal counsel, and others, as appropriate, regarding risks faced by the Fund and the risk management programs of the Investment Manager and certain service providers. The conduct of the Fund's risk management programs is generally delegated to the Investment Manager and other service providers to the Fund. Although the risk management programs of the Investment Manager and the service providers are designed to be effective, there is no guarantee that they will anticipate or mitigate all risks. Not all risks that may affect the Fund can be identified, eliminated, or mitigated and some risks may not be anticipated or may be beyond the control of the Board or the Investment Manager, its affiliates, or other service providers.

#### *Qualification of Board of Trustees*

Each Trustee's background and, except with respect to Mr. Tomasson, his oversight and service as a member of the boards of the other investment companies in the Fund Complex was evaluated in determining whether he should serve as a Trustee of the Fund. With respect to the specific experience, qualifications, attributes, or skills that led to the conclusion that each person should serve as a Trustee of the Fund, each Trustee's relevant knowledge, experience, expertise, and independence was considered and evaluated. Messrs. Huber and Hunt have experience with financial, accounting, regulatory, investment, and board operational matters as well as monitoring the Investment Manager and other fund service providers as a result of their service as Independent Directors and Trustees for more than 25 years on the boards of directors and trustees of the other investment companies in the Fund Complex. Mr. Werner has experience with financial, accounting, regulatory, investment, and board operational matters as well as monitoring investment advisers and other fund service providers through his former position as Vice President in the Fixed Income Departments of Lehman Brothers and First Boston and as a result of his service as an Independent Director and Trustee for more than 15 years on the boards of directors and trustees of the other investment companies in the Fund Complex. Mr. Tomasson has experience with financial, accounting, regulatory, investment, and board operational matters through his current position as Chief Executive Officer of Vinland Capital Investments, LLC, and his former positions as a principal with Cardinal Capital Partners, a Vice President at Citigroup in the Global Real Estate Equity and Structured Finance group, part of the Real Estate Investment Bank, and a director of a public company. Thomas B. Winmill has experience with financial, accounting, regulatory, investment, and board operational matters as well as monitoring investment advisers and other fund service providers as a result of his service as an officer and interested Director and Trustee for more than 20 years of the other investment companies in the Fund Complex.

### *Board Committees and Board of Trustees' Meetings*

*Audit Committee.* The Board has an Audit Committee comprised of the Independent Trustees. The purpose of the Audit Committee is to meet with the Fund's independent registered public accounting firm ("IRPAF") to review its financial reporting, external audit matters, and fees charged by the IRPAF and to evaluate the independence of the IRPAF. The Audit Committee is also responsible for recommending the selection, retention, or termination of the IRPAF and to review any other relevant matter to seek to provide integrity and accuracy in the Fund's financial reporting. The Audit Committee met three times during the fiscal year ended December 31, 2016. A current copy of the Fund's Audit Committee Charter is available on the Fund's website at [www.DividendandIncomeFund.com](http://www.DividendandIncomeFund.com).

*Nominating Committee.* The Board also has a Nominating Committee, comprised of Independent Trustees. The primary purposes and responsibilities of the Nominating Committee are (i) to identify individuals qualified to become members of the Board in the event that a position is vacated or created, (ii) to consider all candidates proposed to become members of the Board, subject to the procedures and policies set forth in the Nominating Committee Charter, the Fund's Declaration of Trust, as amended, and Bylaws (the "Governing Documents") or resolutions of the Board, (iii) to select and nominate, or recommend for nomination by the Board, candidates for election as Trustees and (iv) to set any necessary standards or qualifications for service on the Board. The Nominating Committee met one time during fiscal year ended December 31, 2016. A current copy of the Fund's Nominating Committee Charter is available on the Fund's website at [www.DividendandIncomeFund.com](http://www.DividendandIncomeFund.com).

*Executive Committee.* The Board has an Executive Committee which was established in February 2011, comprised of Thomas B. Winmill and which may meet from time to time, the function of which is to exercise the powers of the Board between meetings of the Board to the extent permitted by law to be delegated and not delegated by the Board to any other committee. The Executive Committee did not meet during the fiscal year ended December 31, 2016.

*Committee of Continuing Trustees.* The Fund has a Committee of Continuing Trustees which was established in June 2011, which may meet from time to time, to take such actions as are required by the Governing Documents of the Fund. The Committee of Continuing Trustees is comprised of Messrs. Huber, Hunt, Werner, Tomasson, and Winmill. The Committee of Continuing Trustees did not meet during the fiscal year ended December 31, 2016.

The Fund has no compensation committee of the Board of Trustees.

For the fiscal year ended December 31, 2016, the current Board of Trustees held four regularly scheduled meetings and did not hold any special meetings. For the fiscal year ended December 31, 2016, each of the Trustees currently in office attended at least 75% of the total number of meetings of the Board of Trustees and of all Committees of the Board held during the period in which he served. The Fund does not have a formal policy regarding attendance by Trustees at annual meetings of shareholders but encourages such attendance. On May 2, 2016, the Fund held an annual meeting of shareholders for the fiscal year ended December 31, 2016, which was attended by one of the Trustees.

### *Information Regarding the Fund's Process for Nominating Trustee Candidates*

In identifying potential nominees for the Board, the Nominating Committee may consider candidates recommended by one or more of the following sources: (i) the Fund's current Trustees, (ii) the Fund's officers, (iii) the Investment Manager, (iv) the Fund's shareholders and (v) any other source the Nominating Committee deems to be appropriate. The Nominating Committee will not consider self-nominated candidates. The Nominating Committee may, but is not required to, retain a third party search firm at the Fund's expense to identify potential candidates. The Nominating Committee believes the Board may benefit from diversity of background, experience, and views among its members, and may consider this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard.

Pursuant to the Fund's Governing Documents, to qualify as a nominee for a Trusteeship or election as a Trustee, an individual, at the time of nomination or election as the case may be, (i)(A) shall be a resident United States citizen and have substantial expertise, experience or relationships relevant to the business of the Fund, (B) shall have a master's degree in economics, finance, business administration or accounting, a graduate professional degree in law from an accredited university or college in the United States or the equivalent degree from an equivalent institution of higher learning in another country, or a certification as a public accountant in the United States, or be deemed an "audit committee financial expert" as such term is defined in Item 401 of Regulation S-K (or any successor provision) promulgated by the Securities and Exchange Commission ("SEC"); (C) shall not serve as a trustee or officer of another closed end investment company unless such company is managed by the Fund's investment manager or investment adviser or by an affiliate of either; and (D) shall not serve or have served within the past 3 years as a trustee of any closed end investment company which, while such individual was serving as a trustee or within one year after the end of such service, ceased to be a closed end investment company registered under the 1940 Act, unless such individual was initially nominated for election as a trustee by the board of trustees of such closed end investment company, or (ii) shall be a current Trustee of the Fund. In addition, to qualify as a nominee for a Trusteeship or election as a Trustee at the time of nomination or election as the case may be, (i) an incumbent nominee shall not have violated any provision of the Conflicts of Interest and Corporate Opportunities Policy (the "Policy"), adopted by the Board on May 8, 2012, as subsequently amended or modified, and (ii) an individual who is not an incumbent Trustee shall not have a relationship, hold any position or office or otherwise engage in, or have engaged in, any activity that would result in a violation of the Policy if the individual were elected as a Trustee. In addition, to qualify as a nominee for a Trusteeship or election as a Trustee at the time of nomination or election as the case may be, a person shall not, if elected as a Trustee, cause the Fund to be in violation of, or not in compliance with, applicable law, regulation or regulatory interpretation, or the Declaration, or any general policy adopted by the Board of Trustees regarding either retirement age or the percentage of Interested Persons and non-Interested Persons to comprise the Fund's Board of Trustees.

The Nominating Committee of the Board of Trustees, in its sole discretion, shall determine whether an individual satisfies the foregoing qualifications. Any individual not so nominated by the Nominating Committee of the Board of Trustees shall be deemed not to satisfy the foregoing qualifications, unless the Nominating Committee adopts a resolution setting forth the affirmative determination that such individual satisfied the foregoing qualifications. Any individual who does not satisfy the qualifications set forth herein, unless waived by the Committee, shall not be eligible for nomination or election as a Trustee and the selection and nomination, or recommendation for nomination by the Board, of candidates for election by the Committee shall be deemed to be its determination such qualifications are satisfied or waived for such candidate.

The Nominating Committee will consider and evaluate nominee candidates properly submitted by shareholders on the basis of the same criteria used to consider and evaluate candidates recommended by other sources. Nominee candidates proposed by shareholders will be considered properly submitted for consideration by the Nominating Committee only if the qualifications and procedures set forth in Appendix A of the Nominating Committee Charter, as it may be amended from time to time by the Nominating Committee or the Board, are met and followed (recommendations not properly submitted will not be considered by the Nominating Committee).

A candidate for nomination as a Trustee submitted by a shareholder will not be deemed to be properly submitted to the Nominating Committee for its consideration unless the following qualifications have been met and procedures followed:

- (1) A shareholder or group of shareholders (referred to in either case as a "Nominating Shareholder") that, individually or as a group, has beneficially owned at least 4.5% of the Fund's shares for at least two years prior to the date the Nominating Shareholder submits a candidate for nomination as a Trustee may submit one candidate to the Nominating Committee for consideration at an annual meeting of shareholders.
- (2) The Nominating Shareholder must submit any such recommendation (a "Shareholder Recommendation") in writing to the Fund, to the attention of the Secretary, at the address of the principal executive offices of the Fund.

- (3) The Shareholder Recommendation must be delivered to or mailed and received at the principal executive offices of the Fund not less than 120 days before the first anniversary date of the Fund's proxy statement released to shareholders in connection with the most recent shareholders meeting at which Trustees were considered for election.
- (4) The Shareholder Recommendation must include: (i) a statement in writing setting forth (A) the name, date of birth, business address, and residence address of the person recommended by the Nominating Shareholder (the "candidate"); (B) any position or business relationship of the candidate, currently or within the preceding five years, with the Nominating Shareholder or an Associated Person of the Nominating Shareholder (as defined herein); (C) the class or series and number of all shares of the Fund owned of record or beneficially by the candidate, as reported to such Nominating Shareholder by the candidate; (D) any other information regarding the candidate that is required to be disclosed about a nominee in a proxy statement or other filing required to be made in connection with the solicitation of proxies for election of Trustees pursuant to Section 20 of the 1940 Act and the rules and regulations promulgated thereunder; (E) whether the Nominating Shareholder believes that the candidate is or will be an "interested person" of the Fund (as defined in the 1940 Act) and, if believed not to be an "interested person," information regarding the candidate that will be sufficient for the Fund to make such determination; and (F) information as to the candidate's knowledge of the investment company industry, experience as a trustee or senior officer of public companies, trusteeships on the boards of other registered investment companies and educational background; (ii) the written and signed consent of the candidate to be named as a nominee and to serve as a Trustee if elected; (iii) the written and signed agreement of the candidate to complete a trustees' and officers' questionnaire if elected; (iv) the Nominating Shareholder's consent to be named as such by the Fund; (v) the class or series and number of all shares of the Fund owned beneficially and of record by the Nominating Shareholder and any Associated Person of the Nominating Shareholder and the dates on which such shares were acquired, specifying the number of shares owned beneficially but not of record by each, and stating the names of each as they appear on the Fund's record books and the names of any nominee holders for each; and (vi) a description of all arrangements or understandings between the Nominating Shareholder, the candidate and/or any other person or persons (including their names) pursuant to which the recommendation is being made by the Nominating Shareholder. "Associated Person of the Nominating Shareholder" as used in this paragraph 4 means any person required to be identified pursuant to clause (vi) and any other person controlling, controlled by or under common control with, directly or indirectly, (a) the Nominating Shareholder or (b) any person required to be identified pursuant to clause (vi).
- (5) The Nominating Committee may require the Nominating Shareholder to furnish such other information as it may reasonably require or deem necessary to verify any information furnished pursuant to paragraph 4 above or to determine the qualifications and eligibility of the candidate proposed by the Nominating Shareholder to serve on the Board. If the Nominating Shareholder fails to provide such other information in writing within seven days of receipt of written request from the Nominating Committee, the recommendation of such candidate as a nominee will be deemed not properly submitted for consideration, and will not be considered, by the Nominating Committee.

A detailed description of the criteria used by the Nominating Committee as well as information required to be provided by shareholders submitting candidates for consideration by the Nominating Committee are included in the Nominating Committee Charter. The Nominating Committee Charter, as amended, was approved by the Board on March 13, 2017.

*Report of the Audit Committee*

Tait, Weller & Baker LLP ("TWB"), 1818 Market Street, Philadelphia, Pennsylvania 19103, was the IRPAF for the Fund for the fiscal years ended December 31, 2015 and December 31, 2016. Representatives of TWB are not expected to attend the Meeting.

The Fund's Board of Trustees has adopted and approved a formal written charter for the Audit Committee, which sets forth the Committee's responsibilities. As required by the Audit Committee Charter, the Audit Committee has received the written disclosures and the letter from TWB required by Rule 3526 of the Public Company Accounting Oversight Board and has discussed with TWB its independence with respect to the Fund. The Fund has been advised by TWB that neither the firm nor any of its partners had a direct financial or material indirect financial interest in the Fund as of February 23, 2017.

The Fund's financial statements for the fiscal year ended December 31, 2016 were audited by TWB. The Audit Committee has reviewed and discussed the Fund's audited financial statements with Fund management and TWB, and discussed certain matters with TWB addressed by Statements on Auditing Standards No. 61, as amended. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Trustees (and the Board approved) that the Fund's audited financial statements be included in the Fund's annual report for the Fund's fiscal year ended December 31, 2016.

Bruce B. Huber, Member of the Audit Committee  
James E. Hunt, Member of the Audit Committee

#### *Audit Fees*

The aggregate fees billed for professional services rendered by TWB for the audit of the Fund's annual financial statements or for services that are normally provided in connection with statutory and regulatory filings or engagements were \$31,000 and \$32,000 for the fiscal years ended December 31, 2015 and December 31, 2016, respectively.

#### *Audit-Related Fees*

The aggregate fees billed for assurance and related services rendered by TWB that are reasonably related to the performance of the audit of the Fund's financial statements and not reported under Audit Fees above for the fiscal years ended December 31, 2015 and December 31, 2016 were \$1,500 and \$2,000, respectively.

#### *Tax Fees*

The aggregate fees billed for tax-related services, including tax compliance, tax advice, and tax planning rendered by TWB to the Fund were \$5,250 and \$5,250 for the fiscal years ended December 31, 2015 and December 31, 2016, respectively.

#### *All Other Fees*

The aggregate fees billed for services provided by TWB to the Fund, other than the services reported above were \$0 and \$0 for the fiscal years ended December 31, 2015 and December 31, 2016, respectively.

#### *Audit Committee Pre-Approval Policies and Procedures*

Pursuant to the Audit Committee Charter, the Audit Committee shall consider for pre-approval any audit and non-audit services proposed to be provided by TWB to the Fund, and any non-audit services proposed to be provided by TWB to the Fund's Investment Manager, if the engagement relates directly to the Fund's operations or financial reporting. In those situations when it is not convenient to obtain full Audit Committee approval, the Chairman of the Audit Committee is delegated the authority to grant pre-approvals of audit, audit-related, tax, and all other services so long as all such pre-approved decisions are reviewed with the full Audit Committee at its next scheduled meeting. Such pre-approval of non-audit services proposed to be provided by the auditors to the Fund is not necessary, however, under the following circumstances: (1) all such services do not aggregate to more than 5% of total revenues paid by the Fund to the auditors in the fiscal year in which services are provided, (2) such services were not recognized as non-audit services at the time of the engagement, and (3) such services are brought to the

attention of the Audit Committee, and approved by the Audit Committee, prior to the completion of the audit. No audit, audit-related, tax, or other services provided by TWB were approved pursuant to paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X for the fiscal years ended December 31, 2015 and December 31, 2016, respectively.

#### *Aggregate Non-Audit Fees*

The aggregate non-audit fees billed by TWB for services rendered to the Fund, and rendered to the Investment Manager (not including any sub-adviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser), and any entity controlling, controlled by, or under common control with the Investment Manager that provides ongoing services to the Fund for the fiscal years ended December 31, 2015 and December 31, 2016 and were \$63,750 and \$52,250, respectively. The Audit Committee has determined that the provision of non-audit services that were rendered by TWB to the Investment Manager (not including any sub-adviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser), and any entity controlling, controlled by, or under common control with the Investment Manager that provides ongoing services to the Fund that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining TWB's independence.

### **PROPOSAL 2**

#### **APPROVAL OF CHANGING THE FUND'S INVESTMENT OBJECTIVES FROM FUNDAMENTAL TO NON-FUNDAMENTAL**

The Fund's primary investment objective is to seek high current income. Capital appreciation is a secondary objective. These investment objectives of the Fund are currently fundamental policies. The Board recommends that shareholders of the Fund approve changing the Fund's investment objectives from fundamental to non-fundamental to enhance the Fund's flexibility to more easily alter its investment objectives when the Board believes it is in the best interests of the Fund or when necessary to comply with possible future regulatory developments. "Fundamental" means that the Fund's investment objective can only be changed with shareholder approval and "non-fundamental" means that the Board would be able to change the Fund's investment objective in the future without shareholder approval. Further, the Board believes that maintaining fundamental investment objectives could prevent the Fund from responding to changing regulations or market developments in the future — at least without incurring delays and costs that would be associated with seeking shareholder approval.

Although the Board has no current plans to change the Fund's investment objectives, the Board is seeking the flexibility to change the investment objectives without a further shareholder vote in order to also avoid the potential future cost of solicitation. The Investment Manager has advised the Board that if Proposal 2 is approved, it does not currently intend to materially change the manner in which it manages the Fund with respect to its investment objectives, or to materially increase the Fund's risk profile. Changes made to the Fund's investment objectives by the Board will be communicated to shareholders within 60 days following any such change going into effect. Approval of Proposal 2 may result in diminution of shareholder control of the Fund.

***THE BOARD OF TRUSTEES, INCLUDING ALL OF THE INDEPENDENT TRUSTEES,  
UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS OF THE FUND  
VOTE "FOR" PROPOSAL 2.***

#### **Vote Required**

Proposal 2 requires approval of the holders of a majority of the Fund's outstanding voting securities, voting as a single class. A "majority of the Fund's outstanding voting securities" for this purpose and under the 1940 Act means the lesser of (1) 67% or more of the Fund's shares present at a meeting if more than 50% of the outstanding shares of the Fund are present and represented by proxy, or (2) more than 50% of the outstanding shares of the Fund.

### PROPOSAL 3

#### RE-APPROVAL OF THE SUBCLASSIFICATION OF THE FUND AS

#### A “NON-DIVERSIFIED” FUND

In 2014, shareholders approved changing the subclassification of the Fund from a “diversified” to “non-diversified” fund, as such term is defined in the 1940 Act. Under the 1940 Act, if the Investment Manager does not operate the Fund as non-diversified within three years of shareholder approval, the Fund is required to again seek shareholder approval to reserve freedom of action to operate as non-diversified.

Although the Investment Manager currently operates the Fund as diversified and has no current plans to change how it operates the Fund with respect to diversification, the Fund is seeking shareholder re-approval of its subclassification as a non-diversified fund in seeking to ensure compliance with the requirements of the 1940 Act and to maintain the Fund’s flexibility to pursue its investment strategies. Accordingly, the Board has unanimously approved, and recommends that shareholders of the Fund re-approve, continuing to retain the flexibility to operate the Fund as a non-diversified fund.

If shareholders do not approve Proposal 3, the Fund will seek to continue to operate as a diversified fund and may seek shareholder approval to change its subclassification to a non-diversified fund at a subsequent annual or special meeting of shareholders. As a 1940 Act diversified fund, the Fund would be required to invest at least 75% of its total assets so that no more than 5% of its total assets is invested in the securities of any issuer, and so that it holds no more than 10% of the outstanding voting securities of any issuer. With respect to the remaining 25% of its total assets, there is no limit on the amount of assets the Fund would be able to invest in the securities of a single issuer. These 1940 Act limits would not apply to securities issued or guaranteed by the U.S. Government, its agencies or instrumentalities or repurchase agreements collateralized by any of such obligations. These limits would apply at the time the Fund purchases a security although the Fund would be able to exceed these limits if positions it already holds increase in value relative to the rest of the Fund’s holdings. As a 1940 Act non-diversified fund, the Fund is currently not subject to these requirements.

If shareholders re-approve the subclassification of the Fund as a non-diversified fund, the Fund will continue to be permitted to invest a higher percentage of its assets in a smaller number of companies or in any one issuer, and may have more risks than a diversified fund. For example, investing a larger percentage of the Fund’s assets in any one issuer could increase the Fund’s risk of loss and its share price volatility because the value of its shares would be more susceptible to adverse events affecting that issuer. However, the Board believes that continuing to retain the flexibility to operate as a non-diversified fund would help the Fund maintain its flexibility to respond to future investment opportunities.

As a general matter, the Board believes that continuing to retain the flexibility to operate the Fund as non-diversified provides the Investment Manager flexibility in implementing the Fund’s investment strategies. Further, it enables the Investment Manager to continue to focus the Fund’s investments on those securities that it believes may assist the Fund pursue its investment objectives, although the Investment Manager’s investment choices represent its subjective determinations and it may not accurately assess the investment prospects of a particular security.

*Risks.* Shareholder approval of Proposal 3 would enable the Fund to continue to operate as a non-diversified fund, which means that it would not be limited by the 1940 Act in the proportion of its assets that may be invested in the obligations of a single issuer. As a result, the Fund may hold a smaller number of issuers than if it were diversified. Investing in a non-diversified fund could involve more risk than investing in a fund that holds a broader range of securities because the Fund’s net asset value may be more vulnerable to changes in the market value of a single issuer or group of issuers and may be relatively more susceptible to adverse effects from any single corporate, industry, economic, market, political, or regulatory occurrence.

The Board believes that this investment flexibility may provide opportunities, however, to enhance the Fund’s performance, although investing a larger percentage of the Fund’s assets in any one issuer could increase the Fund’s risk of loss and its share price volatility, because the value of its shares would be more susceptible to adverse events affecting that issuer. If the Fund takes a larger position in an issuer that subsequently has an adverse return, the Fund may have a greater loss than it would have had if it had more diversified its investments. The Investment Manager may use this investment flexibility for the Fund to take larger positions in the securities of a single issuer when it believes the investment opportunity may justify the risks involved.

If the Fund's shareholders approve this proposal, the Fund may operate as non-diversified or it may not, depending on the investment opportunities available to the Fund. The Investment Manager intends to operate the Fund as non-diversified when it believes it would be in shareholders' best interests to do so; provided, that if the Investment Manager does not operate the Fund as non-diversified within three years of shareholder approval, 1940 Act rules will require the Fund to again seek shareholder approval to reserve freedom of action to operate as non-diversified.

The Fund's current intention, however, is to continue to qualify as a regulated investment company under the Internal Revenue Code of 1986, as amended (the "Code") and be subject to its diversification rules. These rules provide that, to maintain favorable tax treatment, the Fund must invest at least 50% of its total assets so that no more than 5% of its total assets is invested in the securities of any issuer, and so that it holds no more than 10% of the outstanding voting securities of any issuer. With respect to the remaining 50% of its total assets, the Fund is limited to investing 25% in the securities of a single issuer. These limits apply only as of the end of each quarter of the Fund's fiscal year, so the Fund may actually have a higher concentration in an issuer during periods between the ends of its fiscal quarters. Like the 1940 Act limits, the Code limits do not apply to securities issued or guaranteed by the U.S. Government, its agencies or instrumentalities, or repurchase agreements collateralized by any of such obligations.

The following is a hypothetical situation which seeks to illustrate how operating the Fund as a non-diversified fund gives the Investment Manager more flexibility in implementing the Fund's investment strategies. This hypothetical situation is used for illustration purposes only.

As described above, a 1940 Act diversified fund, with respect to 25% of its total assets (the "25% basket"), may invest more than 5% of its total assets in one or more issuers. For example, assume that a 1940 Act diversified fund's portfolio includes, among other securities, securities of three fictional companies: GlobalCo, WorldCo, and USCo. At the time the 1940 Act diversified fund purchased securities of these companies, the companies made up the "25% basket". Assume, for purposes of this example, that the 1940 Act diversified fund purchased GlobalCo at \$5 per share and GlobalCo increases in value to \$20 per share so that, combined with WorldCo and USCo, these three holdings now exceed 25% of the 1940 Act diversified fund's total assets. As described above, the 1940 Act diversified fund may exceed the 25% limit because when it purchased securities of these companies, they made up (no more than) the 25% basket. However, the 1940 Act diversified fund cannot now take a larger position in GlobalCo, WorldCo or USCo because a 1940 Act diversified fund cannot add any more to the 25% basket. The same issue arises if the other holdings decrease in price so that the securities in the 25% basket then exceed 25% of the 1940 Act diversified fund's total assets. If, however, shareholders re-approve the Fund's subclassification as a 1940 Act non-diversified fund, the Fund would be able to take a larger position in any of the companies in this hypothetical situation because the Fund would not be constrained by the 25% basket. If the prices of the holdings in the hypothetical situation described above were to decrease, such that they became a smaller relative portion of the 1940 Act diversified fund's portfolio (i.e., the three securities fell to 15% or 20% of the Fund's total assets), the 1940 Act diversified fund's diversification limits would not apply. Investing a larger percentage of the Fund's assets in any one issuer carries certain risks, as described above.

***THE BOARD OF TRUSTEES, INCLUDING ALL OF THE INDEPENDENT TRUSTEES,  
UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS OF THE FUND  
VOTE "FOR" PROPOSAL 3.***

#### **Vote Required**

Proposal 3 requires approval of the holders of a majority of the Fund's outstanding voting securities, voting as a single class. A "majority of the Fund's outstanding voting securities" for this purpose and under the 1940 Act means the lesser of (1) 67% or more of the Fund's shares present at a meeting if more than 50% of the outstanding shares of the Fund are present and represented by proxy, or (2) more than 50% of the outstanding shares of the Fund.

## OTHER BUSINESS

The Bylaws provide that the only matters that may be acted on at the Meeting are those stated in the Notice of Annual Meeting of Shareholders. Accordingly, other than procedural matters, no other business may properly come before the Meeting. If any such procedural matters requiring a vote of shareholders should arise, the persons named as proxies will vote on such procedural matters in accordance with their discretion.

## ADDITIONAL INFORMATION

### *Section 16(a) Beneficial Ownership Reporting Compliance*

Section 16(a) of the Exchange Act and Section 30(h) of the 1940 Act in combination require the Fund's Trustees, officers, investment adviser, affiliates of the investment adviser, and persons who beneficially own more than 10% of the Fund's outstanding securities ("Reporting Persons"), to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings. Based on the Fund's review of Forms 3 and 4 and amendments thereto furnished to the Fund during its most recent fiscal year and Forms 5 and amendments thereto furnished to the Fund with respect to its most recent fiscal year, the Fund believes that the Reporting Persons complied with the filing requirements of Section 16(a) of the Exchange Act.

### *Discretionary Authority; Submission Deadlines for Shareholder Proposals*

Although no business may come before the Meeting other than that specified in the Notice of Annual Meeting of Shareholders, shares represented by executed and unrevoked proxies will confer discretionary authority to vote on matters which the Fund did not have notice of a reasonable time prior to mailing this Proxy Statement to shareholders. The Fund's Bylaws provide that a shareholder of record may nominate a candidate for election as a Trustee at an annual meeting of shareholders or propose business for consideration at such meeting, provided generally that written notice be delivered to the Secretary of the Fund, at the principal executive offices, not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of the notice for the most recent shareholders meeting at which Trustees were considered for election. Accordingly, pursuant to such Bylaws and Rule 14a-5(e)(2) of the Exchange Act, a record shareholder nomination or proposal intended to be considered at the 2018 Annual Meeting must be received by the Secretary of the Fund no earlier than January 17, 2018 nor later than February 16, 2018. Proposals should be mailed to the Fund, to the attention of the Fund's Secretary, John F. Ramirez, 11 Hanover Square, New York, New York 10005. In addition, if you wish to have your proposal considered for inclusion in the Fund's 2018 Proxy Statement, we must receive it on or before January 17, 2018, pursuant to Rule 14a-8(e)(2) of the Exchange Act. The submission by a shareholder of a proposal for inclusion in the proxy statement or presentation at the Meeting does not guarantee that it will be included or presented. Shareholder proposals are subject to certain requirements under the federal securities laws and Delaware law and must be submitted in accordance with the Fund's Governing Documents, the Nominating Committee Charter and Appendix A thereto, the Policy, and other applicable documents.

### *Shareholder Communications with the Board of Trustees*

The Fund's Board of Trustees has adopted a process for shareholders to send communications to the Board. To communicate with the Board of Trustees or an individual Trustee of the Fund, a shareholder must send a written communication to the Fund's principal office at the address listed in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement, addressed to the Board of Trustees of the Fund or the individual Trustee. Such communications must be signed by the shareholder and identify the number of shares held by the shareholder. All shareholder communications received in accordance with this process will be forwarded to the Board of Trustees or the individual Trustee. Any shareholder proposal submitted pursuant to rule 14a-8 under the Exchange Act, must continue to meet all the requirements of rule 14a-8.
